Documentary Film  
Project #2  
25 February, 2020 - Spring Break

---

**Project Title:** This is You

**Objective:** Create a 1-3 minute visual portrait of someone else. Who is this person? Get to know them. What do they do? What are they like? How can you visually represent them? Begin with an interview with your subject.

**Project Components:**

- 1) Create a list of interview questions for your subject with room to ask follow-up questions. What do you need to know about your subject in order to make a film about him / her?
- 2) Interview your subject. Determine when / where this will take place and schedule accordingly.
- 3) Determine who will interview your subject. What equipment do you need? Camera(s)? Lights? Audio? Determine who will run this equipment.
- 4) What additional footage do you need to capture to better tell your subject's story (B-Roll)?
- 5) Edit your video. What is your narrative? What comes first? Last?
- 6) What music represents your subject / subject matter?

**Presentations:** Group presentations begin on the Wednesday prior to Spring Break and end that Friday.
